

A woman with long, wavy brown hair is the central figure, wearing a light yellow kurti with a subtle grey floral pattern. She is making a heart shape with her hands. Her accessories include a yellow choker with blue polka dots, large green tassel earrings, and a white bangle. The background is a rich, dark brown wall with intricate carvings of large flowers and a small wooden chest at the bottom right.

KURTI

Elegance is usually confused with superficial fashion, lack of depth is a serious mistake: beings need to have grace in their action, their posture because the word is synonymous with good taste, amiability, librium and harmony.
